Welcome to Civitavecchia, Italy

Civitavecchia is a province and principal port and gateway to Rome located in the central Italian region of Lazio on the Tyrrhenian Sea. Civitavecchia was built during the period between 107-108 BC by order of Traiano and was originally known as Centumcellae.

In the Imperial Age the town reached its maximum splendor and became an Episcopate until the period between AD 537 and AD 538. In the 8th century, the town fell under the region of the popes and in AD 828 it was conquered by the Saracens. At this time, it was transformed into a military base against Rome. In AD 889, the Saracens abandoned the coast and the town became known as Civita Vetula (Civitavecchia).

Civitavecchia means "ancient town" and is known as the Port of Rome. In the beginning, Rome was governed by Kings. Two consuls ruled Rome, and were elected each year by the Senate. Military power and political influence made Rome one of the most important cities in the Western world for several hundred years.

In AD 312, Christianity had been established as the official state religion of the Roman Empire. Eventually, Rome became the center of the Roman Catholic Church and home of the Pope.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
